Don't tolerate fraud or waste

SPEAK UP AGAINST FRAUD

Taking important resources away from where they are needed most hurts everyone at Toronto Community Housing.

Fraud and waste can take many forms. Here are some examples:

- Underreporting income, assets or additional household occupants
- Subletting a portion or an entire unit (e.g., Airbnb)
- Submitting false information on documents
- Theft or misuse of Toronto Community Housing assets

Report fraud and waste anonymously to the ClearView Connects hotline.

Call 1-866-781-7956, open 24/7
